ABOUT US

Herbicare is a leading provider of high-quality herbal products sourced from the lush forests of Lalitpur. With over two decades of experience in sourcing and networking, we offer a comprehensive range of herbal fruits, leaves, roots, seeds, and barks. Our commitment to quality, competitive pricing, fast delivery, and customer satisfaction has made us a trusted supplier for pharmaceutical, Ayurveda, and Unani medicine sectors. We believe in ethical sourcing, sustainable farming practices, and team spirit, which have been instrumental in our success. Under the guidance of our mentor, Mr. Ankit Rathore, we strive to consistently deliver exceptional products and services to our clients.

WHY US?

These are several factors that set us apart from our contenders in this highly competitive market. Our client centric approach combined with the below mentioned factors form the key reasons:

- Scheduled delivery
- Hygienic procurement and packaging procedures
- Higher Business Values
- Unsurpassed quality
- Competitive rates
- Free Sampling policy.
